MONEY TO BE RECEIVED OR PAID AT TREASURIES ON THE DAY THE DOCUMENTS ARE REGISTERED IN THE ACCOUNT BRANCH.

Circular No. 1138, dated 25th July 1874.

It is apprehended that persons coming to the Treasury to receive or pay money do not always complete the transaction on the same day, but, having had the documents registered in the Treasury Account Branch, go away and return another day. As this practice causes discrepancies between the accounts of the Account and Cash Branches of the Treasury, the Deputy Accountant General has the honor to request that District Treasury Officers will issue positive instructions to the Treasurer not to receive or pay any money except on documents which have been checked and registered in the Account Branch on the same day.

2. The Treasury Accountant should also be directed to warn all persons, that they must pay in or receive money on the day in which they come to him for the purpose of registering the documents, and, should they come on a subsequent day, that they will have to go through the form of registry, &c., a second time.

3. The Treasury Officer will be good enough to put up a notice to the above effect in both the Account and Cash Branches.

4. These orders are applicable to the Taluk Treasuries also, and Amildars will give strict directions as above to their Nagdi Gumastas and Shroffs, putting up a notice to the same effect in the Taluk Cutcherry.
